

LEENA HAVERINEN

Leena Haverinen was born in Kuhmo, Finland. She studied history at the University of Oulu with minor studies in international business, language and communication, and archaeology. She graduated as Master of Arts in 2012. Additionally, she studied economics and business administration in 2010–2013 at Oulu Business School at the University of Oulu.

Since 2013 Leena has worked for Caprice Oy and in the International Minifiddlers project with various responsibilities. This includes project management, financing and reporting duties as well as financial administration, business development, marketing and communication and international relations. She has also helped with the production of Särestö Chamber Concerts.

Leena has also international work experience as she worked as a Coordinator in the North Finland EU Office in Brussels in 2011, where her main responsibilities included data acquisition and briefing duties, communication and financial administration. She gained more experience in trade policy and international relations during summer 2013 when she worked as a Trainee in the Ministry for Foreign Affairs of Finland, Trade Policy Unit. In winter 2014–2015 she was working in Doha, Qatar, as a Coordinator in the Department of Business Planning & Coordination for Qatar 2015 Men's Handball World Championship Organizing Committee.

Leena started playing piano at the age of 6 in the Kuhmo Music School. Apart from piano, she started playing viola when she was 13. She continued her studies in viola at the Oulu Conservatoire.

IT SKILLS: fluent at working with Adobe InDesign and Photoshop, Microsoft Office and Apple iWork programs, WordPress.
